Hello! (Bonjour!)

We've seen that happen too many times. That's why we designed FrenchPod101 to break down lessons into the smallest, simplest steps possible. So, that you can finally grasp the language and start speaking, no matter your age, background or language experience.

Keep reading. You'll see how FrenchPod101 gets you speaking French in just minutes...

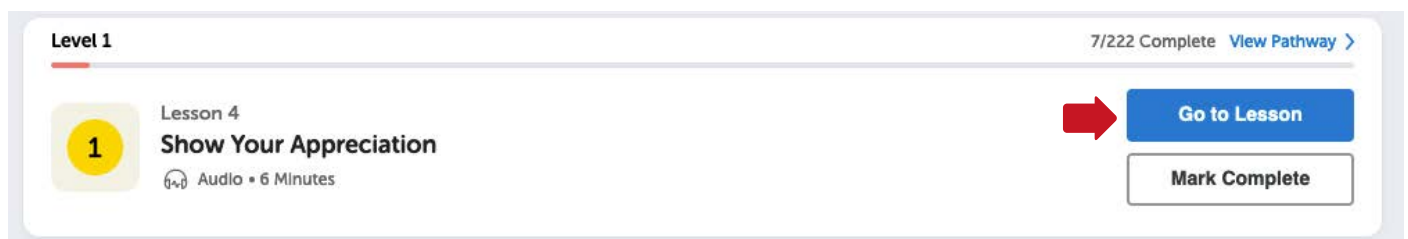

... and you'll discover some **FREE tools** and **resources** down below.

But, speaking of French... French in French is français. Français is a good word (mot) to know since you know... you are now learning it.

## So, how do you get started with français?

At FrenchPod101, we get you speaking and understanding French with bite-sized conversational lessons.

In fact, you have a ready-made pathway of lessons waiting for you on the FrenchPod101 dashboard (your homepage). Just click on "Go to lesson."

The screenshot shows the FrenchPod101 dashboard interface. At the top left, it says 'Level 1' with a red progress bar. On the right, it says '7/222 Complete' and 'View Pathway >'. Below this, there's a section for 'Lesson 4' titled 'Show Your Appreciation' with a yellow circle containing the number '1'. It also indicates 'Audio • 6 Minutes'. To the right of the lesson title is a red arrow pointing to a blue button labeled 'Go to Lesson'. Below that is a button labeled 'Mark Complete'.

**How to learn:** All you have to do is... press play on a lesson and sit back.

First, you'll listen to a practical dialogue between native French speakers.

Then, our teachers will slow it down and explain all of the words, grammar rules and cultural nuances presented.

In minutes, you'll understand the entire conversation and all the words and grammar rules inside.

And, you'll start speaking French that you've heard. So, if you heard a dialogue about catching up with a friend, you will be able to do just that in French.

So, you will..

... listen (écouter)

... understand (comprendre)

...and speak (parler) real French.

And you can also read (lire) along and never miss a word with the Line-by-Line Dialogue and FREE Lesson Transcripts inside each lesson.

By the way, Enchanté de vous rencontrer !

That means nice to meet you!

Now, since we have you (toi) here... we want to know:

- What's your name?
- Quel est ton nom ?

To reply to that and introduce yourself, you (toi) would say...

- I'm (name).
- Je m'appelle.....

Oh, "je" is a new word (mot).

"je" is how you say "I" in français.

So, just stick your name in there.

By the way, in case you didn't notice...
